

## HORIZON NEWS Term 2 Week 4

Wednesday 22<sup>nd</sup> May 2024

### Host Families Required – Japanese Student Visit:

We are pleased to announce that this year we will again be hosting a group of Japanese students through the Overseas Cultural Exchange Program. Some of our families may remember Horizon hosting Japanese students a few years ago. We will have a group of 12-14 Boys (approximately 14 to 16 years old) and we will need families to host them. Families will need to provide the students with their own room, all family members over the age of 18 must have a current Working With Children Check, and will receive monetary compensation. Families can host more than 1 student, but they will require their own room each. **If you would be interested in hosting a Japanese student, please contact the office.**

### Parent Satisfaction Survey:

Please find below the link for our Parent Satisfaction Survey for all our Horizon families. This important survey aims to 'Nurture Partnerships In Community', by giving families the opportunity to answer questions about the school to provide important and valuable feedback. The survey link will close on Tuesday 4<sup>th</sup> June. We encourage you to complete the survey as soon as you are able.

Enjoy working with animals?

The cattle and sheep convenors of the Balaklava Show are looking for interested students to be stewards at this years Balaklava Show in September.

You would be helping pen up the animals in their respective categories in the morning and loading up the animals at the collection time at the end of the day.

There is also an opportunity to learn more about the conformation of the animals and trade requirements at judging times, and what the judge is looking for in each section.

For more information please contact the convenors
