- Cans of Soft Drink - \$2.00

The Hot Shot Coffee Van will be on site for coffee, tea or iced milk drinks.

Students are required to wear their sports shorts with a top in their house colour. Coloured hairspray may be used but this must be applied at home. Coloured zinc may also be used.

The program for the day has been attached with the newsletter and a hard copy has also been sent home with students last Tuesday. The day will conclude by 3.00pm, so that bus students can travel home on busses if required. Students are welcome to go home with families following the Sports Day but do need to advise their Home Group teacher when leaving.

Bus Students and Roll Call: Should your child not be catching the bus after the Sports Day, could you please ensure you remove them from Roll Call – this enables all buses to leave on time

Please call the front office if you have any further questions.

We look forward to families attending this wonderful day. Please bring a deck chair and your cheering voices.

Shrove Tuesday – 4th February:

Shrove Tuesday immediately precedes **Ash**

Wednesday, which in turn signals the start of Lent, the Christian season aimed to replicate the Biblical story of Jesus Christ's withdrawal into the desert for 40 days. But you might be wondering, what does that have to do with pancakes? Traditionally, Shrove Tuesday was the last opportunity to use up eggs and fats before embarking on a fast for Lent. Making pancakes is a simple and tasty way to use up all of these ingredients.

We make a special mention to The Clare Rotary Club and Woolworths for donating the ingredients and to both Tracey Hopps and Sam Wundke for preparing and cooking the pancakes to be offered to our students during recess time.

Horizon Christian School Student Zone - 25km/h speed limit applies – A reminder from SAPOL:

- It has been noted by staff and parents that there has been an increase in speeding traffic in our school zone while students are being dropped off and picked up. We have taken action to increase the awareness of drivers to the safety requirements in this zone. Please be aware of the following.
- The 25km/h speed limit applies when a child is within a school zone, which is formed between a school zone sign and end school zone sign. This applies whenever a child is on the road, footpath, median strip, or even on a bicycle including outside of school hours. (A 'child' includes a student of any age wearing a school uniform.)
- You must not exceed 25 km/h when passing, in either direction, a school bus that has stopped for the purpose of setting down or picking up children.
