Important News

Wakefield Regional Christian School Association Annual General Meeting

The WRCSA AGM was held on Wednesday, 6th May. Christian Education National South Australian State Executive Officer Mrs Coby Beams shared a devotion from 1 Corinthians 12: 12-27, highlighting the importance of unity in the body of Christ from each individual member. Coby was delighted to see such a healthy Association, and thanked each person for the role they play ensuring Horizon remains steadfast in their vision of a transforming Christian education for all.

The Board would like to acknowledge and thank retiring members Mr Lee Cunningham and Mr Ray Fabian. 2 new Board members were welcomed on to the Board; Dr. Daryl Burford and Mr Jason McPharlin. The Board now consists of: Chair – Mr Shane Cunningham, Vice-Chair – Mrs Marion Bernhardt, Treasurer – Mrs Deryn Greenshields, Secretary – Mrs Charmaine Henson, Dr Daryl Burford, Mr Bart Butson, Mr David Chapman and Mr Jason McPharlin. Please continue to uphold the Board as they make important decisions for our school.

Chapel

We warmly invite all Horizon families to join us for Chapel this week for a special presentation from our students who participated in the Bali Mission Trip at the end of last term. Chapel will be held in the Horizon Stadium at 12:00pm.

Bali Mission Trip 2026

Recently, a group of Horizon students had the opportunity to travel to Bali and connect with our ministry partners, including the Bali Life Foundation, C3 Youth and AK Youth. These organisations are doing incredible work in their communities, providing daily support while sharing the love and hope of Jesus.

Throughout the trip, students prayed with local communities, shared their testimonies and built meaningful relationships. It was uniquely special for our Clare Campus students, who had the opportunity to meet our sponsor child, Ashyla, in person and see firsthand the impact of these partnerships. While they hoped to make a positive impact, many students returned feeling deeply impacted themselves.

Darby reflected, "Praying for Balinese children was beautiful. Building connections between different people really showed how God's love is universal and shared equally across all of humanity. After seeing people in the harshest conditions and still smiling, it gave me assurance that we are all children of God and should never fear."

Eliza spoke about the power of sharing faith despite language barriers, sharing that after giving her testimony, a girl approached her through a translator to say she related to their story. "To know that through sharing my story I could impact someone, even when we didn't speak the same language, was really encouraging."

The Bali Mission Trip was a powerful reminder of how God works through relationships, courage and acts of love, leaving a lasting impact on everyone involved.

Host Families Needed – Share in a Cultural Experience

We are excited to announce that we will once again be welcoming a group of Japanese students to our school from Kogakuin Highschool, Tokyo from Friday the 31st July - Wednesday 12th August. Last year's visit was such a wonderful success that we are delighted to offer this enriching opportunity to our school community again. This year there will be a mix of male and female students visiting. We are currently seeking host families to welcome these students into their homes for the duration of their stay. Hosting a student is not only a rewarding cultural experience for your family, but also a chance to build lifelong friendships and make a meaningful impact on a young person's life. There is a generous remuneration provided for host families, and all necessary support will be given to ensure a smooth and enjoyable experience for everyone involved.

If you are interested in opening your home and heart to one of our visiting students, or if you would like more information, please apply here: ahnhomestay.co/horizon-host

Memory Verse

Our focus continues to be on love, "Be devoted to one another in love. Honour one another above yourselves." Romans 12:10

We explore how Jesus both taught and demonstrated love through His actions, showing care, inclusion, and service to others. We were encouraged that building a culture of love in our school comes through everyday choices including small acts of kindness, respect, and compassion that help others feel safe, valued, and supported.

Year 10 Students Explore Pathways on Careers Camp

The Year 10 Careers Camp in Adelaide provided students with a valuable opportunity to explore different career pathways while spending quality time together outside of the classroom. Throughout the trip, students toured Adelaide Oval and The University of Adelaide, attended the Careers Expo to connect with organisations and learn about future opportunities, and enjoyed visits to the Adelaide Zoo and the South Australian Museum. Students also enjoyed a movie night and free time together around the city, making it a fun and memorable experience for everyone involved

Year 11 Food & Hospitality – Tuck Shop Success

The Year 11 Food and Hospitality students successfully planned and executed their Tuck Shop Group Task on Monday 11 May. Students prepared 60+ sausage rolls, 64 servings of Pink Lemonade and Chocolate Mousse, and 20 Chocolate Beetroot Muffins. The students worked hard throughout the day to deliver a smooth and professional service, ultimately making a \$70 profit.

Congratulations to the students on their effort and achievement, and thank you to the school community for their ongoing support.

Cross Country Success for Horizon Students

Our combined campus team of 22 students recently competed in the SACS and SAPSASA Cross Country events, showing incredible determination as they tackled tough and challenging courses throughout the season. A special congratulations goes to Jordan, Jimmy, Melicke and Charlie from our Clare Campus, who all finished in the top six at the Mid North SAPSASA Cross Country event in Burra. Their outstanding efforts earned them selection to represent the Mid North district at the State Cross Country event in Oakbank later this term.

We are incredibly proud of all students who represented the school and congratulate them on their fantastic efforts and achievements.

Community Communication - #1 – The Great Digital Detox

As we continue to Nurture Partnerships in Community, we will be sending out 'Community Communications' – snippets of insightful and hopefully helpful information for families to discuss at home. There will be 3 editions per term, commencing this week with 'The Great Digital Detox'.

You may have seen on Chanel 7's Spotlight program "Viral on Trial", which discussed and provided several statistics regarding the Social Media ban which commenced in December 2025. The survey was of 1500 students - 13-15yrs old, and the findings were very interesting:

85% still have access to some form of social media, 51% say its easy to create new accounts, 55% still use it everyday, 22% have increased their use since the ban. BUT the positive data suggests: 27% have improved sleep, 9% decrease in online bullying, 18% reduction in "bad" content , 30% have said they are doing more physical activity and spending time with family, 67% reported their parents are monitoring their use more, 87% reported that they are talking about social media with their parents.

This week, we encourage you to take part in The Great Digital Detox by:

- Starting an open conversation about social media use at home
- Checking in regularly about what your child is viewing online
- Creating screen-free times or spaces as a family
- Encouraging outdoor activities, hobbies, and family connection
- Modelling balanced and healthy technology use yourself

Small changes and ongoing conversations can make a significant difference.

Together, through strong school-family partnerships, we can support our young people to navigate the digital world safely and positively.

We hope you will benefit from our Community Communicatio

Generosity Day

Generosity Day for this term will be held on Monday 25th May.

Money raised will be going towards our Sponsor Child Ashyla. Ashyla arrived at Bali Life Children's Home on 5th January 2024. She came from another orphanage. Ashyla was handed over by her parents when she was 5 years old. At that time, both parents were divorced and remarried other people. Someone who knew about Bali Life asked for help and if she could be provide with a home and sent to a school. She is from Ternate, which is a small island in east Indonesia. The community surrounding her was not a good influence for her development and that's why she was referred to Bali Life with the hope that she could have a better place to stay with a big family and could support her in care, love, education and community. Bali Life believe she has a purpose to stay with them and believe God will use her life to impact many people in the community and help many people too. It has been exciting for her to be a part of this wonderful experience. Students are welcome to wear a choice of 'hoodie' or beanie on this day and are asked to bring a gold coin donation to support this very worth while cause.

Walk Safely to School Day

Walking every day builds confidence, improves concentration, and establishes healthy habits for life, while also making our roads safer and our air cleaner for everyone.

Research shows that children who are active before school are more focused, more productive, and perform better in the classroom.

We encourage all students and families to take part in Walk Safely to School Day on Friday May 22nd and enjoy the benefits of starting the day on foot.

Breakfast Club

We offer our students an easy way to start the day well by providing accessible breakfast options.

Thursday - Full Breakfast

Mon, Tues, Wed and Fri - Quick Brekky

Brekky Club is made possible through the generous donations of our community and the help of volunteers.

If you have a Working With Children's Check (WWCC) and 15-20 mins to spare on a Thursday morning we are looking for some more hands to assist.

Please contact Christina at cunderdown@horizon.sa.edu.au to register or for more information.
