Important News

Student Photos have now arrived

School photos have arrived and can be collected from the front office. We can send them home with your child/ren but will require parents to contact the school to provide consent, or parents can collect from the front office.

We thank you for your patience with the delay in receiving these.

Memory Verse

"Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you." - Ephesians 4:32

What Does Kindness Look Like?

Kindness is showing care, compassion and respect to others through our words and actions. We can demonstrate kindness by using polite words, helping to clean up without being asked, including others, or encouraging someone who is feeling sad or lonely.

At Home

Talk together about ways your family can show kindness each day. Encourage your child to look for opportunities to help others, speak encouraging words and reflect God's love through simple acts of kindness.

Chapel

Last week, Mr Johnson shared a message on kindness, based on our weekly Bible verse from Ephesians 4:32. Students were encouraged to show compassion, forgiveness and kindness to one another as they reflect Christ in their daily lives. There will be no chapel this week. Instead, students will enjoy spending time with their buddies, building connections and strengthening friendships across year levels.

SA School Sport Cross Country Championships

Students from both our Clare and Balaklava campuses proudly represented the Mid North SAPSASA district at the SA School Sport Cross Country Championships held at Oakbank on Thursday 4 June. From Clare, Melicke, Jordan, Jimmy and Charlie earned selection in the district team following strong performances at the Mid North District Carnival in Burra earlier this term. From Balaklava, Brock, Jacob, Anita and Annie were also selected to compete, recognising them as some of the region's fastest young runners. Competing on Oakbank's notoriously wet and muddy course, all students demonstrated determination, resilience and excellent sportsmanship. They recorded impressive performances in challenging conditions, with several runners placing in the top half of their age groups. Congratulations to all eight students on this outstanding achievement.
