Important News

Orbit App

Horizon is pleased to announce that we are providing an App for families to access the Parent Lounge called: **Orbit**. (Parent Lounge will still be available as a web-based version) This App will enable families to interact with the school using their mobile device, providing easy access to student information, absentees, newsletters, Canvas, Roll Call and more.

An email from the school was sent on Tuesday 13th October which will provide you with all the information to download the App and log-in. We ask that all families download and log-in to the App within the first 2 weeks. Administration staff have been trained to assist you should you need help accessing this important school feature.
We are excited to launch Orbit to families.

There is no school chapel this week, Friday 16th October.

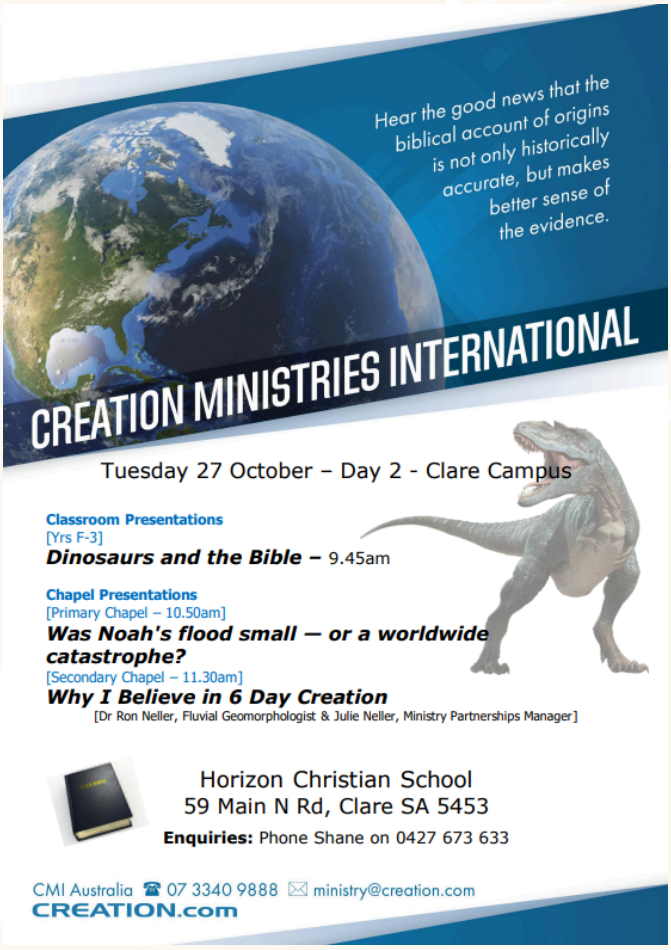

Memory Verse

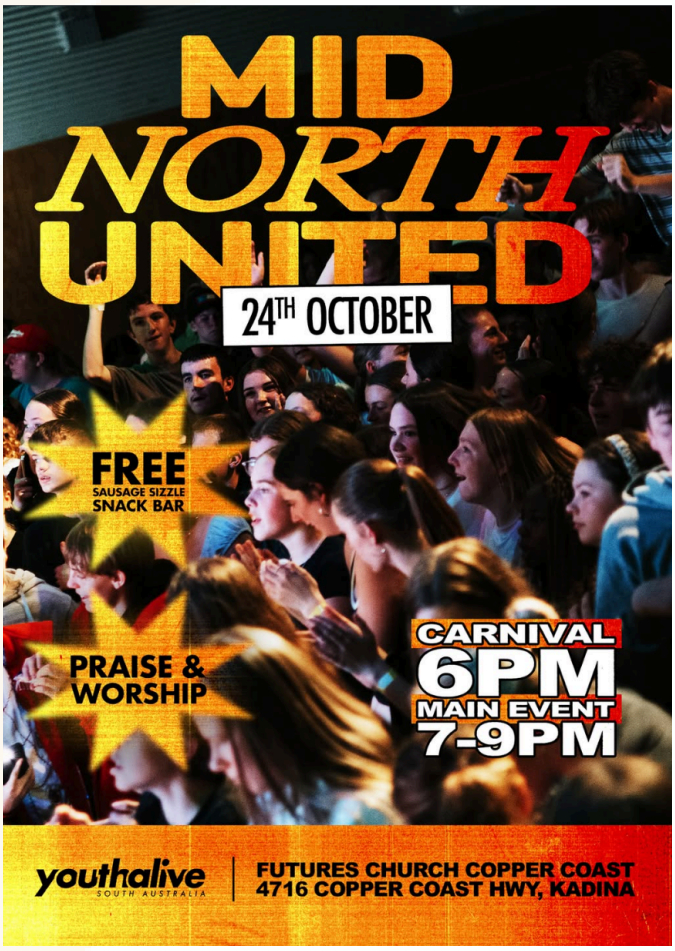

As we approach Christmas this term, our students will be exploring the Gospels and this week we are starting in the Gospel of John, reflecting on who Jesus is and the truth that He was with God in the beginning. This provides a wonderful opportunity to prepare our hearts for celebrating the birth of Jesus at Christmas.

Students will be memorising John 1:2–3:
"He was with God in the beginning. Through him all things were made; without him nothing was made that has been made."

Through this scripture, students will be encouraged to grow in their understanding of Jesus and the important role He played in creation, remembering that the baby born at Christmas is the Son of God.

We encourage families to explore this passage together at home as we journey towards Christmas, reflecting on the significance of Jesus' birth and what it means for us today.

Regional NBA Math Hoops Championship

Fourteen students from our Clare campus travelled to Adelaide to compete in the NBA Math Hoops Regional Championship last term, putting their maths skills to the test through a series of basketball-based challenges.
It was a great day of competition, with students working hard, supporting one another and competing against other schools. A highlight was meeting Adelaide 36ers players Bryce Cotton and Isaac White, who made special guest appearances.
Well done to all 14 students who represented Clare. We look forward to taking part again next year.

Thank You Clare Lions Club

Last term, we were grateful to receive a very generous donation from the Clare Lions Club of a new 700-litre chest freezer. This much-needed addition helps us store meals for families in need, as well as bread for our Brekky Club program.

The bread is generously supplied through Foodbank and Clare Lions Club members, who collect bread nearing its expiry date from Woolworths and distribute it to local schools.
On Thursday morning, Clare Lions Club President Allan Mayfield and past President Fred Whitehorn joined us for Brekky Club, where they were served by our wonderful student volunteers.
The Clare Lions Club works tirelessly to raise funds for a wide range of causes, with a particular focus on supporting the next generation. We are incredibly thankful for their generosity and the ongoing contribution they make to our school and wider community.
