Getting to Know the Orbit App

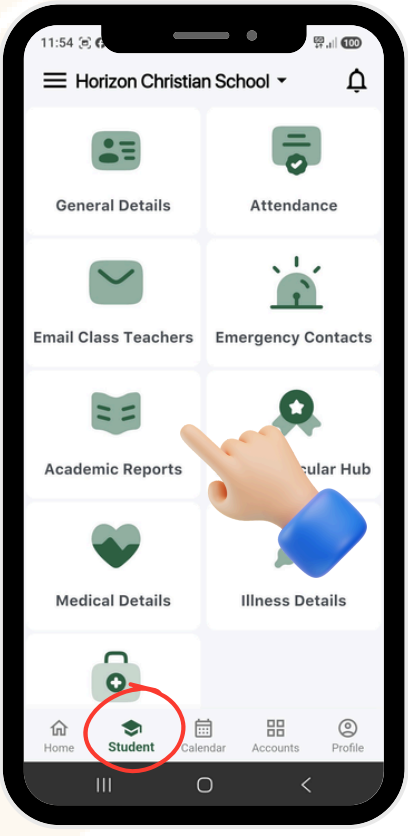

Orbit How-To: **Academic Reports**

Did you know you can view your children's Academic Reports directly through the Orbit Parent App?

Reports can be accessed under Student – Academic Reports, where you can view, download and print a copy for your records.

Please note that reports are only available in Orbit from Semester 2, 2025, when Horizon introduced TASS as its new Student Management System.

We'll continue sharing quick how-to guides and highlighting helpful features throughout the term to help families make the most of Orbit.

Important Note for Families From Head of School

Dear Horizon Community,

As we come into the final few weeks of the school year, I want to encourage all our students to finish strong. I'm proud of the effort they've put into their learning this year, and there's still important work to do in every classroom. These last weeks give students time to complete their work, put their teacher's feedback into practice and celebrate what they've achieved together.

Regular attendance makes a real difference. Please help your child keep their usual school routine and make it a priority to be here on time each day through to the end of term. If something is making it difficult for your child to attend regularly, please get in touch so we can work with you to support them.

Thank you for the encouragement you give your children at home and for the way you partner with us throughout the year. I'm looking forward to seeing our students make the most of these final weeks and finish the year well together.

Faithfully,

Dan Johnson

Head of School – Clare Campus

Chapel

There is no chapel this week due to Swimming Carnival. We invite our Horizon community to join us for the event this Friday 20th November beginning at 9am at the Valleys Lifestyle Centre.

Memory Verse

This week, students are continuing their journey towards Christmas by exploring the story of Joseph accepting Jesus as his son and the important role he played in God's plan.

Through Matthew 1:18–25, students will consider Joseph's obedience and faith as he trusted God's message and accepted the responsibility of raising Jesus.

As we prepare our hearts for Christmas, we encourage families to read this passage together at home and reflect on God's promises, His faithfulness and the incredible gift of Jesus, who came to save His people from their sins.

"She will give birth to a son, and you are to give him the name Jesus, because he will save his people from their sins."
Matthew 1:21

Year 6 – Young Entrepreneurs Market

Our Year 6 students put their learning into action at the Clare Valley Young Entrepreneurs Market on Saturday 7 November at the Clare Town Hall. Students sold produce grown through Agricultural Studies and products created as part of HASS. Thank you to the students, parents and teachers who supported the event.

Spring Garden Challenge – Thank You

It was wonderful to see so many Horizon families come together for our Spring Garden Challenge working bee. With plenty of equipment, helping hands, hard work and laughter, our garden areas have been given a fantastic transformation.
A big thank you to everyone who gave their time and resources to make such a difference. We look forward to watching these spaces grow and flourish for our students to enjoy.

Available for Order Through QKR!

Upcoming Dates:

Term 2: Tuesday 27th April to Friday 25th June
Term 3: Monday 19th July to Friday 24th September
Term 4: Monday 11th October to Thursday 9th December

RollCall – Bus Families

All bus families are required to use RollCall to manage their child's bus travel. This is an important form of communication between home and school, and ensures your child is best looked after during travel to and from school. If you know your child is going to be absent from the bus, please use RollCall to make the required updates. This allows the buses to leave on time. The price for a replacement bus tag is $10 and can be purchased through QKR! under 'Uniform Items and Accessories'. Should you have any trouble accessing or using the RollCall app, please contact the Front Office on 8842 1808 for assistance.
